List any special techniques or materials this candidate has developed for use in Traffic education for local and/or state use.

List any special Traffic Safety Service to the candidate's local community outside of teaching Driver Education.

How does the candidate promote Traffic Safety in the local community, school and state?

The Candidate needs to answer the following questions as well as include two letters of recommendation: One letter from the school district superintendent, high school principal, or traffic education coordinator; and one letter from a former driver education student or parent(s) of students. Letters need to address job performance, working relationships, classroom and in-car practices, commitment to students and the TE program, safety attitude, ethical standards, and professional role modeling.

Questions: (To be answered by candidate)

1. How do you see yourself promoting traffic education in your community and state?
2. What do you consider the most powerful aspect of your local program in regard to parents and students?
